“ *Barbara,*
When I heard this news , I was truly in shock. You have been apart of our family for many years and I will miss you. You truly always had a kind word for everyone and always wanted the best for us all. Whenever someone posted something on Facebook, you always acknowledged and had kind words to say. You had a heart of gold and I will miss seeing you sitting on Pattie’s porch and playing with Rosalie. I believe you are pain free now and flying high with the angels that went before you. Watch over your grand babies and keep them safe and healthy, one thing for sure they loved their Nana! RIP my friend
Love, Valerie 📵🥺🙏

“ *Barbara,*
You will be truly missed. You loved people with all your heart. Most of all your children and grandchildren. Fly with the angles and be at peace with your parents and your brother
