“ I miss your smile, your jokes and your laughter. You were so proud of me and all I want to do now is make you even prouder. You are my motivation and you’ve demonstrated such strength. I aspire to be as strong as you one day. You kept fighting until the end. Words can’t express how much I miss you. You were so loved ❤️ There’s not one day that you don’t cross my mind. ~Tu Nieta Favorita
