“ Dear Douglas and Family,  
I will always remember Mrs. Geter as a woman of deep faith, kindness, and grace. To me, she was more than a church member. She was family at the original Belmont Street AME Zion Church. I am especially grateful for how she always checked in with my mom, Carolyn Walker, to see how I was doing after I married and moved to New Jersey. That thoughtfulness meant more than she probably ever knew.  
Her caring spirit and the way she made others feel seen and loved will remain a lasting part of her legacy. May God’s peace and comfort surround you, and may the memories of her life and faith bring you strength during this time. You are all in my prayers.  
With heartfelt sympathy and love.
