

## Rasheen Felecia Stewart

November 28, 1991 - June 13, 2022

Rasheen Felicia Stewart, 30 years old. Born November 28, 1991 at Victoria Jubilee Hospital in Kingston, Jamaica. Died June 13, 2022 in Worcester, MA. Rasheen loved music and good food! Especially curry chicken and shrimp. She could always be found humming a tune regardless of what she was doing. Rasheen was a very nice person, but she could be miserable at times. She loved dogs and cats. And hanging with her friends.

Rasheen left Jamaica at a tender age for a better life in New York.

Unfortunately, she did not get the life that she deserved as she ended up in a system that did not treat her fairly. Rasheen was a survivor and faced everything thrown at her with grace or her feisty survival skills. She will be sadly missed by everyone who knew and loved her.

Rasheen is predeceased by her father Marcus Stewart, Sr, she leaves behind to grieve her mom Joy, her brother Marcus Stewart, Jr. who she loved immensely and her sister Tatianna Stewart. Rasheen leaves behind 4 children, her daughters Azariah and Najziah and her sons Zion and Judah who she loved very much. Her grandmother Marion Johnson. Aunts Trishana Mills, Michelle McKoy, Susan Braithwaite, Shawna Baker and Cheryl Hart. An uncle Dwayne Mills. And a host of cousins and friends that will miss her tremendously
