“ Raymond always had a great love of life and we had great times gardening together! He loved a good time, and we all loved him! He will be missed!

“ I knew Ray for many years. He was a long time member of the Seven Hills Adult Day Health program. He was a great advocate for himself and always enjoyed speaking to everyone around him. One project he worked on as part of a group was a beautiful stained glass art piece. He arranged all the pieces that others had cut, and it came out beautifully! He was so proud when that piece was displayed in an art show. He was a trusting and lovely soul and I am grateful for having known him for so long. God will surely make him whole again with a perfect body and eyes that can see the beauty around him.

“ Ray I will always remember your laugh. You were so much fun. If I gave you my hand you could tell me who I was. I remember taking you to block parties you loved the music. Always a laugh or smile you were so jolly. I will miss you so much my lovely brother and all the good times we shared. Fly with all the angels now. No more suffering only peace. Until we see each other again you will be in my heart ❤️ Love you Sis Linda

“ I will always remember the last time I saw my cousin Raymond. He was so happy just seeing my Uncle Paul. I think it was my cousin Christina who had taken him out for the day. All the times I can think of even with his handicap he almost always had a smile for you. I know he will be missed by the older relatives but the younger can only be told about him. Goodbye with much love not shown. Go with the God and be free. ❤️

“ Ray, I will never forget all the good times that we had together when you lived with us. You were the greatest. Mikey and Joey will miss their Uncle so much. Now you are at peace without Lord in Heaven. He promised us no iniquities in Heaven. I love you so much and will miss you. See you again someday.
