“ I also worked with Sue for many years. She was a kind, caring person and a hard worker. I enjoyed talking to Sue about her many travels all over the world and where her next trip might be. She will be truly missed.

*With deepest sympathy,

“ It was a pleasure having had the opportunity to have you in my life Sue. Kinda funny how strong the bond can be with people never met but it exists. You made an impression on all you touched and will be dearly missed. May you rest in peace my friend. See you one day on the other side.

*Respectfully,
Robert S.*

“ Sue was a wonderful team mate and teacher. I will always have my 'Sueisms' as I call them. She will be greatly missed. Much love to her family.

“ I really enjoyed working with Sue and being a team member. She was always a forward thinker and set up a process we still use to this day in a number of areas. She was always positive and a bright light in this world.

“ Sue was a true bright light in the world full of joy. As her co-worker/manager and a friend never did she exhibit anything but positivity to me or her teammates which the world could use more of now. Cannot begin to express my sadness but have some comfort knowing that she is now at peace with no more pain. My sincerest condolences to her family as Sue will be sorely missed and may she rest in peace.

“ My condolences to the family and friends of Sue.

I worked with Sue for many years and loved getting on the phone with her to hear, "Hello Sunshine!" Or that she needed to go get chocolate. Sue always made me smile and laugh when I spoke with her. Her light and love came through to everyone she encountered.

She will be missed. Rest easy, my friend.
