

Stephon Markquis Brewster

March 24, 1963 - January 23, 2022

Stephon Markquis Brewster Sr. was born on March 24, 1963 to Inez (Ward) Jakubowski, and Gene Hart Brewster. He was born in Bronx, NY, raised in Ohatchee Alabama. In his early 20's, he moved back up North, where he met his wife. Stephon married on September 21, 1991.

With his eccentric original style, big infectious laugh, and love of funk Stephon was definitely one of a kind! A musician, a barber, and a performer with a passion for culinary. He was truly a student of the arts and lived life on his own terms. To know him was to love him!

Stephon never lost sight of what was important to him. A devoted husband, a dedicated father, and an all around family man. Survived by his loving wife, Sandra-Miller Brewster; "step sons", Jamaul Miller, Hasson Prioleau; his other children; Stephon M. Brewster Jr. Skiara S. Brewster, Aaliyah L. Brewster, Isaiah H. Brewster; grandchildren Jaya Williams-Miller, Ha'niyah Prioleau, and Harlem Prioleau. Equally important, are his siblings, Kecia Dames, Rhonda Walls, and Torris Brewster. He leaves behind a host of aunts, uncles, cousins, nieces, nephews, and grandkids. From the Brewster, Johniken, Miller family and friends.

He now joins his mother, father, and in-laws for eternal rest.

In his words, "We shall always stick together and love one another".
