“Easy on me” by Adele

*Go easy on me, baby
I was still a child
Didn't get the chance to
Feel the world around me
I had no time to choose
What I chose to do
So go easy on me.*

“ May you Rest In Peace my friend. You were a great person to be around. I'll never forget how happy you were when I told you I met Steve and Kyle from The Nelk Boys. It made me happy too because I was excited about it but everyone I told had never heard of them. Every time I think of you, I instantly think of that day. Thank you for putting a smile on my face that day.
May all your sins be forgiven and hopefully you're up there in heaven smiling. With all your pain and burdens lifted and nothing but joy remain.
Don't have any worries about Shadow, Bob and Zack are taking good care of her.
Rest easy my friend. We'll meet again someday.
